RFP #/Title	Current Vendor (if applicable)	Background/History	Timeline	Opportunity for Comments	Expected Award Date	Issues/Comments
HB 3575 Transition Plan	NA	<p>The 80<sup>th</sup> Legislature passes H.B. 3575, which directed HHSC to develop a transition plan for rebuilding the eligibility system. Among other things, the <i>Transition Plan</i> lays out HHSC's plan for outsourcing the development and maintenance of a new eligibility system for CHIP, Medicaid, Food Stamps, and TANF.</p> <p>See ("Eligibility Support Services" RFP and "Document Processing Services" RFP)</p>		HB 3575 also created a <i>Legislative Oversight Committee</i> to monitor and oversee HHSC's plans for rebuilding the eligibility system. Once appointed, this committee will meet at least quarterly and take public comment.	<p>CHIP/Call Centers/Eligibility Support Services: 8/2008</p> <p>Enrollment Broker: 8/2008</p> <p>Document Processing Center: 8/2008</p> <p>TIERS Maintenance: 2/2010</p>	See <a href="http://www.hhs.state.tx.us/consolidation/IE/HB_3575_TransitionPlan.pdf">www.hhs.state.tx.us/consolidation/IE/HB_3575_TransitionPlan.pdf</a> for the complete Transition Plan
RFP Draft: Document Processing Services 529-08-0134	Maximus*	<p><i>See HB 3575 Transition Plan</i></p> <p>Vendor will receive and process inbound mail and scan documents related to eligibility for programs such as CHIP, Medicaid, Food Stamps, TANF, among others.</p>	<p>Draft RFP release: 11/2/07</p> <p>Vendor Conf: TBD</p> <p>Final RFP release: TBD</p> <p>Start Date: TBD</p>	Vendor Comments to Draft RFP Due: 12/31/07		<p>*When HHSC terminated its contract with Accenture in March 2007, Maximus was awarded an interim contract to operate the Midland document processing center to avoid disruptions in services to clients.</p> <p>HHSC has decided to procure the mail/document processing component</p>

						of the integrated eligibility system separately from the call center/eligibility support services outlined in RFP#528-08-0135.
RFP Draft: Eligibility Support Services 529-08-0135	Maximus*	<i>See HB 3575 Transition Plan</i>  Vendor will propose call center system to support eligibility determination for CHIP, Medicaid, Food Stamps, TANF.	Draft RFP release: 11/2/07 Vendor Conf: TBD Final RFP release: TBD Start Date: TBD	Vendor Comments to Draft RFP Due: 12/31/07		*Maximus was responsible for call center operations and CHIP processing as a subcontractor to Accenture. When the TAA contract was terminated, Maximus was awarded an interim contract to avoid disruptions on services to clients.  This RFP describes a contract under which the vendor(s) will perform similar functions to those done by Accenture under the now defunct TAA contract.
RFP: Twogether in Texas Healthy Marriage Program 529-08-0075		The 80 <sup>th</sup> Legislature mandated that a portion of TANF be used for the development of healthy marriage programs. A new law also eliminates the marriage license fee for couples who complete a marriage preparation course. HHSC seeks up to 9 vendors to implement programs in areas around the state.	RFP release: 10/18/07 Vendor Conf: 10/29/07 RFP due: 11/16/07 Start Date: 3/1/08		12/20/2007	HHSC seeks vendors to provide “capacity-building and service delivery management” for premarital and healthy marriage education services with community- and/or faith-based organizations working in the area of healthy marriage development in HHSC Regions 1, 2, 4, 5, 7, 8, 9 and 10 and the eastern part of Region 3.
Draft RFP: Enterprise Data Warehouse 529-08-0111		HHSC seeks a vendor to integrate the data from programs such as Food Stamps, Medicaid, WIC,	Draft RFP release: 10/12/07 RFP release: TBD Vendor Conf: TBD	Vendor Comments to Draft RFP due: 10/30/07	TBD	

		CHIP, CPS, etc., into one single “data warehouse” to be used across HHS agencies.	RFP due: TBD Start Date: TBD			
RFP: HHS Enterprise Telecommunications Managed Services 529-07-0124		Current telecommunications systems are at the end of their life. HHSC relies on telecommunication systems for services such as eligibility determination and CPS reform requirement.	RFP release: 8/21/07 Vendor Conf: 9/5/07 RFP due date: 10/12/07 Start Date: 12/10/07		12/5/2007	The aging telecommunications system was specifically mentioned in the HB 3575 Transition Plan as a challenge. Local office telephone systems used for communications with clients, eligibility interviews, etc., are “antiquated...making client access difficult.”
RFP: Data Broker Services 529-07-0087	DCS (Dallas Computer Systems) Information Systems	DCS has held contract since 1998; Renewed in 2003.			10/1/2007	October 16, 2007: Tentative Contract Award to DCS Information Systems
RFI: Enrollment Broker 529-07-0156 <i>(see Transition Plan)</i>	Maximus has held this contract since 1997.*	The enrollment broker helps clients choose health plans once determined eligible for Medicaid or CHIP (incl. Chip perinatal and SKIP).	RFI release: 5/31/07 Vendor Conf: 6/11/07 FRP release: 12/2008 Start Date: 7/2010		12/2009	*Maximus provided enrollment broker services as a subcontractor to Accenture. When the contract was terminated, Maximus was awarded an interim contract to avoid disruptions on services to clients.
RFP: Medicaid Managed Care Helpline 529-07-0081		HHSC seeks a non-profit vendor to operate a toll-free helpline to Medicaid Managed Care clients.	RFP release: 4/3/07 Vendor Conf: 4/16/07 Anticipated Start Date: 9/1/07		7/2007	RFP withdrawn without award and function brought in-house to HHSC Ombudsman division effective 9/1/2007
